

## **CEDM GREEN GAZETTE: VOL. 2 ISSUE 1**

### **About HPNLU**

The Himachal Pradesh National Law University (HPNLU, Shimla), was established by the State Government in the year 2016, by an Act of the Legislature (Act 16 of 2016). The University started functioning on the 5<sup>th</sup> of October, 2016.

Located in the geographical terrains of the Himalayas, HPNLU, Shimla is the best place for study and learning in law, developing in students, understanding about the law and legal system, topographies of law-making, legal practice, and administration.

### **About the Newsletter**

The CEDM newsletter “HPNLU Green Gazette” endeavours to create a space that fosters independent academic thought, inculcate a culture of research and ignite conversations on matters of environmental jurisprudence and environmental values.

With the object of furthering discussion on environmental jurisprudence and values, the CEDM Newsletter welcomes submissions from students, academicians, law practitioners & every environmental cause enthusiast on **a rolling basis**.

### **Theme**

The theme for Vol. 2 Issue 1 is **Environment and Law**

**(Contributors can further choose the subthemes related to the main theme of the respective issue to which they are contributing their write-ups.)**

### **Structure of Newsletter**

The Green Gazette is a quarterly newsletter that consists of five parts:

1. **The Green Report:** This section of the newsletter deals with articles that are in general related to the environment other than law.
2. **The Green Clause:** This section deals with articles that are exclusively related to environmental law.
3. **The Green Column:** This section deals with short writings which is a combination of both the legal and non-legal aspects of environmental issues.
4. **The Green Rhyme:** This section gives you an opportunity to showcase your poem writing skills related to environmental issues

5. **The Green Challenge:** This section gives you an opportunity to showcase your painting and photography skills related to environmental issues.
