

About the Colloquium!

Contemporary situation, especially during lockdown because of pandemic of Covid -19 and continued predisposition of society, has expanded the range of disparities. Issues such as different forms of discrimination, and its immediate impact of the lockdown on women's rights, external as well as internal to the existence and location in the societal structures and regions arouses numerous questions in the mind of researchers and debaters. The contemporary articulations of women's rights from ability to access comprehensive judicial protection she needs regardless of her sexuality, where she lives, her income level, or her ethnicity., are all important issues before this Colloquium on: *Quintessential of Securing Women Rights in the Changing World: Exploring the Judicial Approach*. It will provide a platform to discuss, document, debate, and develop collective thinking and strategizing on all these issues to face the challenges ahead. This deliberation brings to fore various new issues concomitant with the recent experiences and attempts to strengthen the position of women *vis -a- vis* the judicial approach.
