Admission Notice for MBA (Corporate Law)

About the Programme

The two years MBA (Corporate Law) is specially designed for the students who wish to gain knowledge about the legal obligations from the perspective of a businessman and vice-versa. The main objective of the course is to prepare students, who want to pursue their careers in crucial areas where knowledge of legal and business management is demanded such as investment consultants, business analytics, corporate lawyers, and merger & acquisition experts, underwriters etc. The focus is on making the business/Law graduates ready for industry.

Programme Objectives

- To equip students with latest trends in the field of law and business management
- To enhance the critical thinking and taking decisions in uncertain times
- To expand the range of knowledge and team up with experts across disciplines
- To develop the skills and the vision to contribute to both the bottom line and the big picture in whatever leadership roles one pursues.
- To prepare future leaders who are sensitive to their clients and their individual needs
- To help students grasp challenges in all their complexity and see how the pieces of a meaningful organization fit together.
