## **Hon'ble Mr. Justice Amjad Ahtesham Sayed**

*(Chief Justice, High Court of Himachal Pradesh)

It gives me immense pleasure to welcome all the students, faculty members and non-teaching staff of the University, to the new academic session 2022-23. The Himachal Pradesh National Law University, Shimla is one of the leading law education imparting institution in the country. I am delighted to note that the University has, with in a short period of six years since its establishment, made its place amongst the family of National Law Universities in the country. Universities are cradle of learning and development of individual for the social, legal and political system.

The Himachal Pradesh National Law University, Shimla believes in the sacrosanct status of the Indian Constitution and its ethos. The University promotes the learning of values of freedom, democracy, and inherent human rights as well as the basic foundational principles of fundamental duties prescribed by the Constitution of India.

Law scholars, lawyers and law administrators have central roles in promoting constitutional values, rights and duties, upon which the social and the political orders of the society stand. These values are very well connected and depend upon a robust system of law and legal administration. The Law Universities have to shoulder this task by producing academicians, lawyers and law administrators needed for the country. The Himachal Pradesh National Law University, Shimla has been making significant efforts in this direction.

Legal education has many stakeholders- students, parents, teachers, staff and regulatory bodies such as Bar Council of India, University Grants Commission and most importantly, Central and State Governments. The regulatory bodies and the State Governments are expected to shoulder the burden of providing facilities in which learning and research activities can be carried out unhindered.

I am sure that all the stakeholders are doing their best and will make special efforts in future also to achieve the glorious objectives of legal education

Wish all that is the best to the new members of the family joining undergraduate and postgraduate classes in the Academic Session 2022-23

# REGISTRAR'S MESSAGE

**Prof. (Dr.) S.S Jaswal**

*Registrar  
Himachal Pradesh National Law University, Shimla*

It gives me a great pleasure to welcome you all to the distinguished Himachal Pradesh National Law University, Shimla. The lush green surrounding, panoramic view of the hills covered with conifers and deodars enhance the beauty of the University. Such atmosphere seems inviting and fitting for learning and researching.

We as University strongly believe in providing student centric education which fosters in them skill and leadership quality, enabling them to adapt to the industrious and challenging atmosphere outside the contours of the University. We are manufacturing the best students by keeping abreast with the rapidly evolving education system. Besides education, HPNLU is infusing in its students the need to learn the tactics of the professional world.

The University endeavors to give such education to its students which benefit the society effectively. To quote Cornel West, "There is no fundamental social change by being simply of individual and interpersonal actions. You have to have organizations and institutions that make a fundamental difference". To be the change and to bring noticeable change, this University promotes learning through variegated ways. We provide conducive environment for the personal and individual growth of students by allowing them to interact formally and informally. Saloni Aggarwal asserts, "The more you interact with people, more you learn about yourself and the world around". As medical science cannot merely be mugged up as it needs practice, so does law. Our students learn by doing. Moot-court, Debates, Internships, essay-writing, mock-trials, etc. are the indispensable part of law.

All work and no play make Jack dull. Hence, we opine that moral, cultural and social training would be incomplete without the physical action. Games, sports and physical training are essentially incorporated along with the scholastic development of our students.

We feel duty bound towards our motherland and we discharge our duty by sensitively cultivating our pupils as committed citizens for the prosperous future of our country.

Wish all my students a momentous journey through HPNLU to the World of Competition. Be a face in the crowd rather than merely a crowd.

Wish you all the best for this beginning.

Jai Hind!

Jai Bharat!

# RAGGING FREE CAMPUS

## Ragging Is Crime

The immoral practice of 'Ragging' has become a menace; it is inhumane, thereby illegal and punishable. It not only violates the discipline and pollutes the benign aura of an educational institution but also adversely deteriorates the standards of higher education. An educational institution which is vowed to empower students by fostering healthy competitive, aspirational and inspirational atmosphere, this heinous practice of ragging causes fear and shock for the freshers and hurts the victim's psyche for life.

Ragging in educational institutions is banned by the Hon'ble Supreme Court of India. More so, the apex court has issued mandatory orders to curb the menace of ragging in educational institutions. Enshrined in the 3rd Amendment to UGC regulations on 29th June, 2016, Section 3(l) entails the definition of ragging as:

"Any act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of color, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance, nationality, regional origins, linguistic identity, place of birth, place of residence or economic background."

Owing to the seriousness and heinous character of this practice, HPNLU, Shimla has the policy of 'Zero Tolerance' to any kind of acts of ragging. In the eventuality where an applicant for admission is found to have indulged in ragging in past or if it is noticed later that he/she has indulged in ragging, his/her admission may be refused; his/her candidature may be cancelled or he/she may be expelled from the educational institution. The punishment may also be in other forms viz suspension from classes for a limited period, or fine with a public apology, debarring from representation in events, withholding results, suspension or expulsion from the hostel or mess, and the like. If the Head of the Institution is not satisfied with any of the aforesaid arrangements for action, a First Information Report (FIR) can be filed without exception by the institutional authorities with the local police. The discretionary power vests solely with the university authorities.

In accordance with the relevant UGC regulations, an Anti-Ragging mechanism is set up by the university, including awareness activities. The details of officers, contact numbers and procedure for redressal of complaints are displayed on the notice board and at appropriate places in the campus and hostel premises. HPNLU Shimla endeavours to keep intact its sanctity as the temple of knowledge and any student demeanour found to be counterproductive to this endeavour shall be taken to task.
