**Vice-Chancellor  
Himachal Pradesh  
National Law University, Shimla**

Moot court competitions are an essential part of law schools owing to its capacity to stimulate real court proceedings which help law students capture a glimpse of the kind of advocacy, research and drafting that the profession demands of them.

With this in mind the Himachal Pradesh National Law University, Shimla has committed itself towards providing a congenial environment for the better growth and development of students, the second moot court competition being its flagship event. Not only the university encourages its students to put their minds to test, it fosters to create a similar environment for students across the country.

Although the times are difficult due to the pandemic, the university has committed itself to not let it stand on the path to the growth of students and legal education in the country. With this virtually platformed venue we look forward to an intellectually stimulated competition.

## **About HPNLU, Shimla**

**The Himachal Pradesh National Law University, Shimla (HPNLU) was established by an act of the Himachal Pradesh Vidhan Sabha in the year 2016 (act 16 of 2016). In the five years of its foundation, HPNLU has seen tremendous growth and has undertaken a good number of innovative measures to enhance the academic potential of its faculty members, students and research scholars.**

**Led by the visionary scholar of law, the vice-chancellor professor (Dr.) Nishtha Jaswal, the university has been proactive in organising a series of events encompassing a wide spectrum of socio-legal issues despite the spread of the ongoing covid-19 pandemic and the ensuing lockdown, HPNLU, has been at the forefront of using digital platforms to raise awareness about issues such as fundamental duties, reproductive rights of women, human rights and access to justice etc.**

**HPNLU has always tried to inculcate an interest in moot court culture in its law students and considers moot court to be an important part of the law school experience. The Moot Court Committee (MCC) is the official student committee for managing moot court activities and events at HPNLU. In order to foster the culture of moot court competitions, the university is organizing its second national virtual moot court competition.**

## About the Competition

HPNLU, Shimla is delighted to announce the second edition of National Virtual Moot Court Competition, 2021. This flagship event has been devised with the aim of creating the opportunity for learning the development of jurisprudence on emerging trends in constitutional law besides armouring the coming generation of legal fraternity with research and oratory skills.

As a law school, it takes pride to develop academic and advocacy excellence among the law students by appraising them about drafting the memorials, presenting and arguing the case to prove their stand before the court. In this way, it helps students to grow as an individual and also motivate them to come up and show their skills. It will act as a catalyst for building confidence and enhancing the research and drafting skills. The moot proposition of the competition will be based majorly on constitutional law. However, the participants will be expected to explore different dimensions of law and not just restrict themselves to one area of law.

HPNLU has successfully conducted first edition of HPNLU National Virtual Moot Court Competition in February 2021, which saw a large participation of law students from all over India. We are happy to organise once again the competition. Despite these unprecedented times, we at HPNLU strive to make this competition bigger and better.
