## About HPNLU, Shimla:

Himachal Pradesh National Law University, Shimla is a premier Law University in India was established by the State Government in the year 2016, by an Act of the Legislature (Act 16 of 2016). The University started functioning from 5th of October, 2016. Located in the geographical terrains of Himalayas, HPNLU, Shimla, is the best place for study and learning law, understanding about law and legal system, topographies of law making, legal practice, and administration. Perhaps, climatic conditions and environmental privileges of its location, makes the University one of the most sought-after law education institutions within a small span of its coming into existence. Under the academic and administrative leadership of Hon'ble Vice-Chancellor, HPNLU, Prof. (Dr.) Nishtha Jaswal, is committed to achieve new heights in law education. Further, the University proudly proclaims the successful execution of various National and International events in the campus as well as virtual events.

## About the Centre:

Centre for Environment and Disaster Management (CEDM) is a specialized Centre, established by Himachal Pradesh National Law University, Shimla, for conducting socio-legal research in the field of environment protection & disaster management, and to assist the governments in making better laws and policies. The Centre aims to serve as a research and training center in the field of environmental law and policy. It further aims to initiate and promote regional, national as well as international collaboration, fund-raising for environmental cause.

The Centre intends to achieve the following objectives:

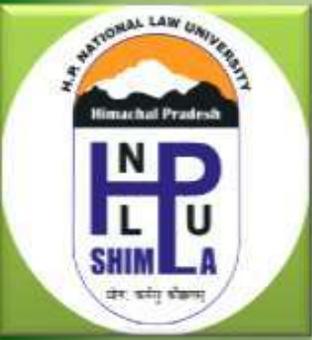

1. To inculcate environmental awareness and sensitivity about the various environmental related issues among the various stakeholders; To impart comprehensive knowledge in environmental law and policy; To impart knowledge on disaster management and also conduct Studies/Researches on disaster management;
2. To develop understanding on key environmental issues relating to national and international importance;
3. To develop practical skills to facilitate effective implementation of environmental laws;
4. To upgrade the competencies of various professionals about the environmental issues and its protection;
5. To conduct various theme based activities on the protection of an environment and sustainability.
