

CALL FOR PAPERS

HPNLU JOURNAL OF ENVIRONMENT AND DISASTER MANAGEMENT

Peer- reviewed (Online)

ISSN: 2583-1429

Volume 5: 2025 Issue

Submit by September 30, 2025

HPNLU Journal of Environment and Disaster Management (JEDM) is a peer-reviewed online publication, owned and managed by Himachal Pradesh National Law University (HPNLU), Shimla. Since its inaugural volume in 2020, the journal has served as a platform for academicians, researchers, lawyers and students to pen down their scholarly articles on contemporary environmental legal issues. JEDM aspires to become a leading source of academic insight into contemporary environmental issues, and coming up with solution to the various emerging environmental problems. In addition to identifying pressing legal challenges, JEDM is dedicated to proposing practical and constructive solutions.

The *Journal of Environment Disaster Management (JEDM)* invites academicians, legal professionals, researchers, policy experts, and students to contribute high-quality research papers, articles, and case comments for its **Volume 5, 2025 issue**. As environmental challenges continue to intensify globally and nationally, there is an urgent need to rethink legal frameworks, sustainability strategies, and policy interventions. This issue aims to serves as a dynamic platform to advance dialogue and disseminate scholarly insight on the evolving landscape of environmental law.
