Subject: Reg. the 1st National Insolvency and Bankruptcy Moot Court Competition, 2022 being organized by your institution in association with Chambers of Abhinav Mishra, Advocates & Solicitors.

It gives me immense pleasure to read out that the Himachal Pradesh National Law University, Shimla is organizing its First Edition of National Insolvency and Bankruptcy Moot Court Competition, 2022 in association with the Chambers of Abhinav Mishra, Advocates and Solicitors, to be held from 25th to 27th March 2022.

The Insolvency and Bankruptcy Code, 2016 (IBC) is one of the most exhaustive reforms in the legal and economic sphere and is one of the most significant pieces of legislation of the post-independence era.

The combined efforts to enhance legal awareness on a relatively new legislation would offer the young minds a much-needed platform to expand their horizon and understand the dynamic piece of legislation. The event is a great opportunity for law students to accustom them with the intricacies and contest their skills as future legal practitioners.

I heartily congratulate the organizing committee for conducting the Moot Court Competition and wish them well for all the success in the competition and for future endeavors.

My best wishes!

ABOUT HIMACHAL PRADESH **NATIONAL LAW UNIVERSITY, SHIMLA**

Himachal Pradesh National Law University, Shimla (HPNLU) was established by an act of the Himachal Pradesh Vidhan Sabha in the year 2016 (act 16 of 2016) as a fully residential National Law University, offering an integrated five-year law course, post-graduate law course and Ph.D courses. In the five years since its foundation, HPNLU has seen tremendous growth and has undertaken a plethora of innovative endeavours for the holistic development of its students, research scholars and faculty members associated with the university.

Under the guidance of a visionary scholar of law such as our vice-chancellor Prof. (Dr.) Nishtha Jaswal, the university has been proactive in organising a series of events encompassing a wide spectrum of socio-legal issues. Despite the spread of the ongoing Covid-19 pandemic and the ensuing lockdown HPNLU has been at the forefront of raising awareness about issues such as fundamental duties, reproductive rights of women, human rights, access to justice etc.

HPNLU has always tried to inculcate an interest for mooting in its students and considers mooting to be an integral part of a wholesome law school experience. The Moot Court Committee (MCC) is the official student committee for managing mooting activities and events at HPNLU. With the aim of deepening the roots of mooting in the minds of law students HPNLU is organizing its first corporate law moot court competition.

ABOUT THE COMPETITION

This event has been devised with the aim of creating the opportunity for the learning and development of jurisprudence on emerging trends in Insolvency and Bankruptcy law besides armouring the coming generation of the legal fraternity with research and oratory skills.

As a law school, HPNLU takes pride in developing academic and advocacy excellence among law students by appraising them about skills pertaining to the drafting of the memorials, articulation of arguments and answering the queries of the bench. This helps the students to grow as individuals and also motivates them to come forward and showcase their skillset. It acts as a catalyst for building confidence and enhancing the research and drafting skills of the students. The moot proposition of the competition will be based majorly on insolvency and bankruptcy laws and constitutional law; however, the participants will be expected to keep their research multidimensional and not restrict themselves to just one area of law.

HPNLU has successfully conducted two editions of HPNLU National Virtual Moot Court Competition in 2021, both of which saw a large participation by law students from all over the nation. We are delighted to venture into a new area of law and organize the first corporate law moot court competition.
